

Gertie

Hi, I'm Gertie. I love listening to students read. I am a celebrity at my mommy's school. All of the children stop to pet me and tell me how cute I am. I also love to spend time snuggling, giving kisses, and playing tug of war. My mom takes me everywhere she goes, so I am a very social dog.

About Gertie: My full name is Gertrude McFuzz, but my mom just calls me Gertie. I was named after a Dr. Seuss character, which also happens to be my favorite author. I am a female Cavalier King Charles Spaniel. People say I am very fluffy and soft. My birthday is December 28, 2012. I've spent my last two birthdays at the beach, where I love to chase seagulls and dig in the sand.

Gertie and Lauralee

This is my mom Lauralee. She will come with me to visit you. I can show you some tricks with her help, and with the help of a yummy treat! Maybe she can even bring one of my favorite books. You can read it to me, or I can ask my mom to read it aloud for us. I'm excited to meet you and show you what a snuggle bug I really am!

Love, Gertie

Team Activities: Every Tuesday, I get to go to school with my mom to listen to students read. We also like to volunteer in the courts and at events around town. My favorite was the Santa Paws walk. I thought for sure I would win the "sweetest face" award, but there's always next year!
