

Grendel

Hi, my name is Grendel. I weigh 180 pounds. Lots of people tell me that I'm the biggest dog they've ever seen. I am very big, very friendly and a little slobbery.

I was born in South Florida. Mommy and Daddy picked me up when I was nine weeks old and I already weighed 30 pounds.

About Grendel: My full name is Akeem's Grendel, but I always go by Grendel or Grins. I have lots of nicknames, but one of my mommy's favorites is Monster Mutt. I am a male, Great Dane. My birthday is July 4, 2005. I first passed my animal therapy certification with my daddy and the next month with my mommy. It was tough having to do it twice.

Grendel and Melanie

This is my mommy, Melanie. I enjoy going to the dog park with my mommy and daddy. I also love to travel with them. Hotel rooms are best, 'cause I get to eat my meals in bed. For some reason they won't let me do that at home.

I'm a real goofball who loves everyone and everything! I look forward to spending some time with you.

Love, Grendel

Team Activities: Mommy and I like to visit with children, adults and seniors. We visit at hospitals and courts. I also love participating in fundraisers to help other dogs who are not as lucky as me. My favorites are the Santa Paw walk to help my shelter friends and Humane Society Dog Washes.
