

Kosmo

Hi my name is Kosmo! My dad adopted me from a shelter in Pell City Alabama when I was 5 weeks old. I love to play with anything I can chase, especially balls and squirrels . Riding in my dad's truck is one of my favorite things. My favorite foods are Cheerios, biscuits, pizza, and spaghetti. Once I stole a peanut butter and jelly sandwich!. At night I sleep in a bed right next to my dad. He snores, but he keeps me warm.

About Kosmo: My name is Kosmo. I am a male, Jack Russell Terrier. My birthday is April 1, 2005. I was awarded the Therapy Dog Title (TDH) by the American Kennel Club for my work and love to others. My name was officially changed to KosmoTHD . I even got a certificate with my new name and it is on the fireplace mantel.

Preston and Kosmo

This is my dad, Preston. We lived in Birmingham, Alabama for a long time and moved to Florida in 2016. Dad and I are also a crisis response team. We help others when something bad happens, like a tornado, earthquake or mudslide! We travel a lot, all over the country helping others. We even get to fly on big jets, and I love it.

Love, Kosmo

Team Activities: My dad and I have been visiting children, adults and seniors for more than 11 years and still love it. We visit at courthouses, colleges, nursing homes, churches and hospitals.
