

Mattie Loo

Hi! My name is Mattie Loo, I am a Cavalier King Charles Spaniel which I believe, makes me royalty. My favorite activity is meeting new people. I love people of all sizes, ages, shapes, etc. I especially love children and they seem to love me too. As you can see from my photo, my second favorite activity is kayaking with my human Mom; Karen, in her pink kayak. I love my matching pink life vest which keeps me safe. People always smile and wave when they see me on the river. Once we even had to "jump ship" to avoid a moose! That was exciting.

About Mattie Loo : My name is Mattie Loo. I am a female, Cavalier King Charles Spaniel. My birthday is May 4, 2013.

Mattie Loo and Karen

This is a photo of Karen (my human Mom) and myself on the very day we officially became an animal therapy team with TMH. This was a very proud day for both of us. We are excited to be a part of this wonderful program, and look forward to meeting lots of new friends.

Love, Mattie Loo

Team Activities: Mom and I love to meet with children, adults and seniors. We visit at hospitals, courts, assisted living facilities, rehabilitation centers, and youth shelters.
