

# Piper

Hi, my name is Piper. I am so full of energy and high spirits that sometimes people think my name is "Hyper". My mom adopted me from a breeder here in Tallahassee when I was only six weeks old. I only weighed two and a half pounds. I was so small that Mom couldn't take me on a walk because I could only make it for a short distance. But now, I have lots of energy! I have a sister, Honey Girl, who is also a Miniature Dachshund. She is four months younger than me and I helped my Mom pick her out.

About Piper: My full name is Piper Laurie of Seven Oaks. I am a female, Miniature Dachshund. My birthday is August 3, 2005. I also have additional training in Canine Scentwork and am registered with the National Association of Canine Scentwork.

# Piper and Bobbie Jo

This is my Mom, Bobbie Jo. We love to meet new people, and I'm looking forward to seeing you soon so you can throw me a ball for me to get and I will bring it back to you (or at least I always bring it back to my mom).

Love, Piper

Team Activities: Mom and I like to visit with children, adults and girls ages 10 - 16. We visit at hospitals, rehabilitation centers, and courts. At any given time I have lots of brothers and sisters because my mom helps with Dachshund Rescue and we foster Dachshunds until they find their furever homes.
