

Shiloh

My name is Shiloh (pronounced Shy-Low). I was named that because I was really shy when I was little. My mom adopted me when I was about 6 months old. At first I was really scared, but my new family loved me a LOT. They taught me how to be good. Some people think I'm scary or that I look mean; I'm not, I'm very nice. One of my spots is in the shape of a heart! I love people of all ages and I love to be petted. When I'm not working, I like to sleep and play with my brother who is much smaller than me. He bosses me around and I let him.

About Shiloh: I am an Olde English Bulldogge and I weigh 94 pounds. I am very sweet and everyone that meets me wants to take me home. I was born October 20, 2012. My favorite thing to do is go for car rides. I know I'll get to meet some special people when she gets out my harness.

Shiloh and M'Lisa

This is my mom, M'Lisa (pronounced Melissa). She takes good care of me, giving me baths, playing with me and taking me to the vet. I like to go for car rides and sometimes I try to help mom drive.

Love, Shiloh

Team Activities: I like to visit with people of all ages. We go to the hospital, assisted living facilities, schools, the courthouse and sometimes we go to festivals where a lot of people get to meet me.
