

Smudge

Hi, my name is Smudge.
I love to be petted and I enjoy listening to children read. I love the stories they read to me.

While I'm a miniature Schnauzer, I'm not so miniature... I was the largest of six puppies in my litter and now weigh 26 pounds.

About Smudge: My full name is Sir Smudge I am a male, Miniature Schnauzer. My birthday is April 20, 2004. Joanne got Smudge at age 8 weeks. Joanne had students in her home during that summer and Smudge would often place his chin on the thigh of the student while the student was working.

Smudge and Joanne

This is my Mom, Joanne.... She will come with me to visit you. My mom says I was "ready made" for animal therapy. Maybe I can bring a book with me and you will read me a story! Then I can show you what a good listener I am.

Love, Smudge

Team Activities: Mom and I like to visit with children, adults and seniors. We visit at hospitals, courts and schools.
