

# Squirt

My name is Squirt. My mom adopted me when I was 6 weeks old from a breeder in Blountstown. Even though I'm only 7 pounds, I am the boss and often tell my 94-pound brother what's what. When I'm not working, I like to play with my brother and sleep on his back. I love to be brushed and when my mom holds me, I like meeting new people.

About Squirt: I am a Yorkshire Terrier (Yorkie). I was born July 14, 2014. My favorite thing to do is go for car rides. I know I'll get to meet some special people when Mom gets out my harness.

# Squirt and M'Lisa

This is my mom, M'Lisa (pronounced Melissa). She takes good care of me, giving me baths, playing with me and taking me to the vet. My favorite place to sleep is on my brothers back or my mom's lap. I like to go for car rides and mom lets me sit in her lap then too.

Love, Squirt

**Team Activities:** I like to visit with people of all ages. We go to the hospital, assisted living facilities, schools, the courthouse and sometimes we go to festivals where I meet a lot of people.
