

# Starla

Hello, my name is Starla! I am a Cavalier King Charles Spaniel from Tallahassee, Florida. I have been a therapy dog for most of my life, and it is my favorite job. I love visiting with all kinds of people, but my favorite kind are kids. I think it is because I am small and kids are small too!

One of my charms is that I am small and super soft, just like a puppy. I have long floppy ears. Some things that I like to do when I am not working are chasing birds and butterflies around my yard, or playing with my brothers and sisters.

About Starla: My name is Starla. I am a female, Cavalier King Charles Spaniel. My birthday is August 31, 2010. I love to go on walks with my humans.

# Starla and Stephanie

This is my human mom, Stephanie! She takes me all kinds of places to visit with both big and little people. The best thing about her is that she carries me around all the time which helps me feel safe. She also makes sure I am clean and healthy to come visit everyone. We look forward to seeing you around.

Love,  
Starla

**Team Activities:** My mom and I love to meet with children, adults and seniors. We visit at courthouses, hospitals, assisted living & rehabilitation centers, hospice and even schools to help children read.
