MEMORANDUM

TO: ALL ATTORNEYS
FROM: JUDGE JASON L. JONES
SUBJECT: WRITTEN WAIVER OF APPEARANCE BY A DEFENDANT
DATE: JANUARY 14, 2022

Effective immediately, only one written waiver is required per case to waive the defendant's appearance at all future routine case management conferences.

All waivers currently on file may serve to waive all future routine case management conferences. Defense counsel are still expected and required to alert the Court if any client is not keeping appropriate contact with counsel. The Court's Procedures and Preferences have been updated to reflect this change.
