

Teen Court will be collecting items throughout the month of April to benefit

Going Places Street Outreach is aiming to end the cycle of homelessness among Tallahassee's homeless and at-risk youth.

The program serves those between 11 and 21 years old who may be homeless, runaways, or at-risk. The Drop-In center is a safe place where youth can take a shower, wash their clothes, have a meal, and get connected with various resources with no strings attached. The program also assists young people with getting identification cards, GEDs, creating résumés and applying for employment. The goal is to help youth in need have a safe journey on the road to self-sufficiency.

**Donors will receive 1 hour of community service for every 5 items donated for a maximum of 10 hours.**
