RE: List of Physicians for Service on Medical Liability Mediation Panel pursuant to Section 5, Chapter 75-9, Laws of Florida (Medical Malpractice Reform Act of 1975)

1. Pursuant to Section 5, Chapter 75-9, Laws of Florida, and specifically subsection (1)(a), a list of qualified physicians is hereby prepared, after consultation with and reception of recommendations from the President of the Capital Medical Society, Tallahassee, Florida, a recognized professional medical society.

The Honorable Ben C. Willis
Circuit Judge
Leon County Courthouse
Tallahassee, Florida 32302

Dear Judge Willis:

At the recent meeting of the Board of Governors of the Capital Medical Society, criteria for physician eligibility service on mediation panels was reviewed.

As you will recall, the previous criteria specified that eligibility would be limited to physicians in active practice who were board certified and had practiced in this community for a minimum of five years.

It has come to our attention that this criteria severely restricts the number of physicians to whom the Court has access and has the potential of inhibiting the mediation process.

Therefore, a review of our membership has been conducted and we are pleased to enclose a considerably expanded list of eligible physicians. This review process will continue at intervals throughout the year and you will be provided with the names of additional physicians as they become eligible.

We would also like to offer the name of Dr. A.J. Henry who has agreed to act as a liaison between the medical community and the Court with reference to mediation panels.

We appreciate the Court's interest in this extremely important aspect of medical litigation and trust our action has relieved the problem of insufficient numbers of eligible physicians.

Please let me know if I, personally, or the Capital Medical Society, may be of further assistance.

Sincerely,

William E. Price

William E. Price, M.D.
