FOR LEON COUNTY, FLORIDA

SUMMARY CLAIMS DIVISION

ADMINISTRATIVE ORDER NUMBER 88-4

It has come to the attention of this court that the Clerk of the County Court-Summary Claims Division is undertaking a systematic review to prepare a listing of cases pending for dismissal for lack of prosecution under Rule 7.110 of the Florida Rules of Summary Procedure. It is the intention of this court to confirm such action by the clerk of this court. It is therefore

ORDERED AND ADJUDGED that the clerk of this court shall prepare a list of all actions in the Summary Claims Division in which it appears on the face of the record that no activity by filing of pleadings, order of court or otherwise has occurred for a period of six (6) months. The clerk shall prepare a notice of hearing on the court's own motion to dismiss for failure to prosecute, a copy of which shall be sent to all parties advising them of the date of hearing and that they may show cause in writing at least five (5) days before the hearing on the motion why the action should remain pending. In any case in which good cause is not shown, the court shall enter an order dismissing without prejudice such case for lack of prosecution.

DONE AND ORDERED in Chambers, Tallahassee, Leon County, Florida this 12 day of August, 1988.
