IN RE: AMENDED UNIFORM ACCOUNTING AND DISTRIBUTION REFERENCE GUIDE OF FINES AND COSTS IN THE SECOND JUDICIAL CIRCUIT OF FLORIDA

WHEREAS, the assessment and provision for payment of fines and costs directly impacts the uniform and equitable treatment of offenders as well as directly impacting limited local resources to defray the costs of prosecution and public defense and the maintenance and operation of the various courts within the Second Judicial Circuit of Florida; and,

WHEREAS, public perception that the courts and judicial system are providing equitable, equal and uniform treatment to all who come before the courts is preserved if all offenders with similar offenses are uniformly provided adequate provisions for payment of costs and fines; and,

WHEREAS, the proper and efficient administration of the courts and justice in this circuit will be served by the adoption of a uniform accounting and distribution reference guide of fines and costs, with specific authorization and direction to the clerks of courts as to the manner and method of accounting, distribution, apportionment and priorities thereof, and with provisions for reasonable partial payment installments of all fines and costs imposed for individuals unable to make full payment at one time, together with adequate provision for the periodic monitoring of such payments pursuant to Sections 56.011 and 939.04, Florida Statutes.
