## **LOCAL PROFESSIONALISM PANEL QUESTIONS**

Please complete the information below regarding any activity within your Local Professionalism Panel. Additional pages may be attached as needed.

- 1. Please describe the process by which complaints are addressed.** You may attach a link to the complaint form or link to where information is located on your website that advises the consumers, attorneys, and judges how to file a complaint.

As set forth in the Second Judicial Circuit AO 2023-02, "Upon receiving the complaint, the Chairperson of the Panel at the initial review of the Complaint, may determine that the conduct is too severe to be handled by the Panel and may refer the Complaint to ACAP at The Florida Bar. If the Chairperson does not refer the Complaint to ACAP, the Chairperson shall create a "Complaint Resolution Sub-Panel" to receive and review the complaint to determine if any action should be taken. The "Complaint Resolution Sub Panel" shall be comprised of members of the Panel designated by the Chair on a per complaint rotating basis."

- 2. Please describe what types of professionalism issues are seen most often in this Circuit?**

The Second Judicial Circuit receives very few complaints. The few that we do receive tend to be related to unprofessional conduct or being disorganized or unprepared.

**3. What are believed to be the causes of professionalism issues within your Circuit?**

The causes of professionalism issues we see in the Second Judicial Circuit are generally lack of experience or frustration with clients and the process; being disorganized or unprepared.

**4. How often does your Circuit's Local Professionalism Panel meet?**

The panel meets annually. Our next scheduled meeting is October 31, 2025.

**5. Please describe any training provided to committee members.**

On February 22, 2024, the Chief Judge in coordination with the Chair of the panel convened a meeting with the panel members. At that meeting, the panel was given an updated overview of the process for the handling of professionalism complaints in the Second Judicial Circuit and a reminder of the importance of the panel and its role in professionalism for the Circuit. The panel was also notified of the important, newly required CLE course on professionalism and the professionalism panel, which offers a great overview of the panel and its important role in the circuit, as well as the difference between ethics matters and professionalism matters. The Circuit is currently awaiting the specific professionalism panel training that we understand will come out from the Florida Bar. The next annual meeting is scheduled for October 31, 2025.

**6. How is your Circuit's Local Professionalism Panel promoted?**

Panel members typically promote the Panel through the local voluntary bar associations. For instance, the Panel has been invited to speak at local bar association meetings and was featured at an Inn of Court presentation. In addition, the Chief Judge works to promote the panel within the Circuit throughout the year at various events and meetings and with the other Circuit and County Judges.

The Panel has also partnered with the Tallahassee Bar Association to host quarterly lunch events with local judges to promote professionalism and educate circuit members about the Panel, called the "Side Bar Series". The Side Bar Series is a smaller group setting of approximately 15 attorneys gathering for an hour to discuss a range of professionalism topics for CLE credit. The idea is to provide a comfortable environment to discuss professionalism issues. We held our most recent Side Bar Series on February 28, 2025, where Leon County Judge Stefanie Newlin hosted the event; another event is planned for September 11, 2025 with First District Court of Appeal Judge M. Kemmerly Thomas hosting.
